## KVMS School Supplies 2023 - 2024

For the 2023-2024 school year we are purchasing all classroom materials for the year. The **student fee is \$40 per student for all students in K-8**. It will be \$100 for a family of three or more students. This covers all supplies needed for your child throughout the year and enables us to purchase good quality items at reduced prices. Please make use of **SchoolCash Online** found on our school website. You will be notified once fees can be paid online. It is expected that families pay this fee by the end of September.

In addition to the \$40.00 fee, your child will need:

- Reusable water bottle
- Book bag
- Lunch bag
- Indoor sneakers with white non marking soles suitable for running and jumping (no crocs or skate shoes)
- 2 boxes of Kleenex
- 1 box of large ziploc bags (K-5)
